

Paul da Serra - Paul do Mar

Across the plateau to the south coast -
from 4 persons

We start at Pico da Urze near Rabaçal and cycle in a westerly direction with a wonderful view over the southwest coast and the mountains. In short climbs we reach the Prazeres area, where we will again and again ride short trails. On the way to Raposeira we bike along a levada and forest roads, that lead us to Fajã da Ovelha. With wonderful views to the coastal cliffs and the fishing village of Paul do Mar, we ride on back roads to the sea.
